

“LEFCCOTHEA”

PRESENTS HIGHLIGHTS OF PAXOS AND ANTIPAXOS

1. MONODENDRI: Pebble colourful beach surrounded by olive trees. There are taverns where you can enjoy ouzo with “meze”.

2. ORKOS: A quiet beach with beautiful round stone houses in the olive grooves.

3. LAKKA: As you enter Lakka's bay sailing in the turquoise waters, being surrounded by the traditional houses and the old classic schoolhouse, you definitely get the Eptanisian feeling.

4. EXOLITHARO: A ship-shaped rock that is considered to be Odysseus ship. According to Mythology, it was stoned (because of a curse) on its way out of the harbour of Corfu.

5. LAKKA'S LIGHTHOUSE: The most splendid spot for idyllic sunset. It's located right on the opposite hill where the old lighthouse used to be before a sudden earthquake demolished it.

6. IPAPANDI'S CAVE: Named after the Ipapandi Church, which is in the middle of the island. There is an impassable underground path that connects the cave with the church. In front of the cave there is ...

7. CATERGO ROCK where “Papanikolis” submarine hid during the 2nd World War.

8. ERIMITIS CLIFF: Breathtaking sight with wild beauty of the steep cliff and its remarkable height.

9. ACHAI: Picturesque bay with marvellous beach and exciting blue caves.

10. ORTHOLITHOS: Another fabulous blue cave where you see the highest rock of the island (60-70m) in its entrance.

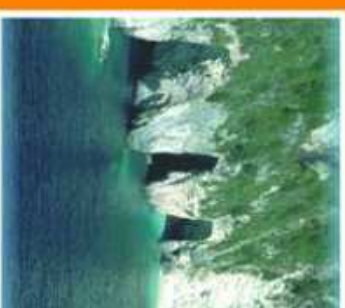

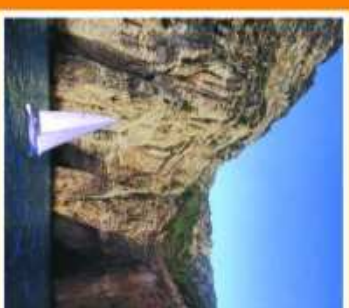

11. “CAMARA” - TRIPITOS ARCH: Time seems not to have spoilt the natural beauty as this “proud” arch that still wears well throughout the years.

12. VRIKA & VOUTOUMI: Enjoy yourself swimming in the golden sandy beaches and turquoise tropical waters of Antipaxos Isle.

13. MONGONISI BAY : There's a restaurant and a cafeteria available for you while you are enjoying sunbathing on its sandy beach.

14. GAIOS: The 2-kilometre-long natural harbour is unique in beauty; it is the capital of Paxos and the busiest place to be which retains the culture and customs of the Eptanisian spirit.

15. AGHIOS NIKOLAOS & PANAGIA ISLES: A windmill and the ruins of the Venetian Fortress- on the former - and the Monastery of Virgin Mary - on the latter - are without a doubt the most historical highlights.
